About International Conference on Law and Social Science

Law plays an important role in social transformation by having a direct impact on society. It has always been looked at as one of the important instruments that could bring about social change. Thus, social transformation is the modification in the way people work. As a result, social transformation entails changes in people's working habits. Changes in technology, demography, competitiveness, conflict, ideology, political life, economic policy, and legal principles are all variables that contribute to social transformation. As Alliance lealeducation LHP college of Law Sirsa always strived to achieve excellence in Legal Research, hence, organizing the International Conference on Law and Social Science - 3rd and 4th Feb.,2023 and that would be an annual Endeavour in the years to come.
